ARVINDSINGH DEORA

Vapi, District: Valsad, Gujarat

Phone: 9106607738 | Email:arvindsinghdeora47@gmail.com| linkedin.com/in/arvindsingh-deora

EDUCATION

➔ Laxmi Institute of Technology   Gujarat, India
  Bachelor of Engineering in Computer Science Engineering.   2020 – 2024
   (CGPA: 8..51)

➔ St. Xavier's High School (CBSE).   Vapi.
  HSC (PCM).   2005-2020

TECHNICAL SKILLS

➔ **Programming Languages**: React Java, Python, PHP, HTML, CSS, JavaScript.
➔ **Libraries** : Bootstrap , TailwindCSS.
➔ **Database**: SQL Mongodb.

RELATED EXPERIENCE

RND Technosoft   Vapi, Gujarat
MERN Stack Developer   sept- Nov 2024

 Developed a comprehensive chemical CRM using the **MERN stack (Mongodb , Express.js , React, Node.js**) to manage chemical data, customer interaction, and supplier record.Implemented secure user authentication,data visualization with AG Grid , improving operational efficiency and user experience

Allorasoft   Vapi , Gujarat
MERN stack developer   jan- July 2024

 Build an Order Tracker application using the **MERN** stack at Allorasoft, streaming the order tracking and management process. Developed features of order-updates, user notification operational efficiency and customer satisfaction

PROJECT EXPERIENCE

Project 1: CHEMICAL CRM

   Developed a Chemical CRM Application: Designed and implemented a full-stack CRM system using the **MERN stack (MongoDB, Express.js, React, Node.js)** to streamline tracking of chemicals, customers, and suppliers, which improved the company's database management and client service processes
